Dear MODL Member:

The 33<sup>rd</sup> Annual Meeting of the Missouri Organization of Defense Lawyers will be held May 31 – June 2, 2018, at the beautiful Big Cedar Lodge in Ridgedale, Missouri.

This year's theme of the meeting is "Defending Big Lawsuits at Big Cedar" as the keynote presentations will provide our membership with insights and strategies that will be instrumental to defending high profile cases receiving both local and national attention.

We also invite all members to bring their families to Big Cedar, which is one of the nation's premier vacation destinations. MODL, with the help of its sponsors, has arranged a Kids Program again this year which includes THE NEW FUN MOUNTAIN - a whole new world of adventure - this 50,000 square-foot amusement complex features 16 lanes of bowling, state-of-the-art laser tag, rock climbing wall, arcade with 60+ games and electric go-karts, spin zone and flip zone bumper cars.

Of course, the resort also offers swimming, miniature golf, boating, biking and hiking for everyone to enjoy. For the adults, the MODL Golf Tournament will be held on Friday afternoon at Buffalo Ridge Golf Course, followed by the Cocktail Party and Awards Dinner.

The Annual Meeting kicks off with the "President's Welcome Reception" Thursday evening at Arnie's Barn which is situated at the Top of the Rock overlooking the famous "sinkhole" and the beautiful golf course. Our program on Friday includes a presentation on diversity, with an emphasis on implicit biases and microaggressions by former Missouri Bar President Dana Tippin Cutler, who was recently named 2018 Woman of the Year by *Missouri Lawyers Weekly*. Our Keynote Speakers, Kevin Taylor, Kyle Seedorf and Lauren Rhinehart (from the Denver firm of Taylor Anderson, LLP) are defense attorneys who were involved in the "Aurora Theatre Shooting Litigation". On Saturday, Randy will provide his "Legislative Update" that will be followed by a presentation from John Trimble on ethical pitfalls of handling a mass disaster. This presentation will tie in nicely with the "Aurora Theatre" presentation. John represented the Indiana State Fair after the Sugarland Concert stage collapse that killed seven individuals and injured another seventy. Last but not least, Supreme Court Judge Mary Russell will serve as moderator for a blended panel of trial and appellate court judges from around the State.

In addition to these dynamic presentations and great food and beverages, on Friday evening there will be live entertainment from "SIX". Six is Branson's sensational sibling singing group that, believe it or not, performs without instruments. This a cappella act infuses choreography and dysfunctional family comedy into a show as only brothers can do. Kids are sure to enjoy this entertainment as well.

Rooms are limited at Big Cedar and the room cut-off is **APRIL 27, 2018**. Please make your room reservations ASAP as we anticipate Big Cedar being sold out (the room reservation form is located at the end of this brochure). You can register for the meeting on-line at [www.modllaw.com](http://www.modllaw.com), or by emailing the registration form to [info@modllaw.com](mailto:info@modllaw.com) or by mailing the form to the MODL Office (please see the meeting registration form). We look forward to seeing you!

Best Regards,

*Matt*

Named in honor of Arnold Palmer, Arnie's Barn offers stunning views of the top of the Rock Golf Course. The 150-year-old barn was found near Palmer's hometown of Latrobe, Pennsylvania. Ozark craftsman Danny Schwartz

and his family carefully disassembled the barn's 46-foot timbers – some of which are over 250 years old – transported them to Top of the Rock and rebuilt the barn plank by plank.

***LAUREN RHINEHART, TAYLOR/ANDERSON LLP, DENVER, CO***

In the early morning hours of July 20, 2012, James Holmes committed a violent assault on a packed movie theatre auditorium in Aurora, Colorado, under the deranged belief that every life he took would add one

“point” of value to his own life. In the months before his attack, he secretly engaged in painstaking efforts to prepare, including covering himself from head to toe in military-grade ballistic protective gear, arming himself with multiple high-powered weapons, and preparing a diversionary explosion at his apartment. The lawsuits that followed alleged the theatre was at fault for failing to provide security features to prevent the shooting. Using the theatre shooting to illustrate the challenges and complexity of mass shooting defense, this presentation will address how to manage a crisis from the outset, as well as how to deal with the media, manage the defense team, address legal issues of foreseeability and causation, and handle jury selection and thematic messaging at trial.
